## ILLINOIS

### A SAFE HAVEN FOR ABORTION RIGHTS? IT IS NOT. FAR FROM IT!

HB 40 & the RHA passed the House by the slimmest of margins (2 & 4 votes respectively) and only repealed the most repugnant and misogynist IL laws. The reality is Illinois' Parental Notice of Abortion (PNA) law endangers our youth, 27 anti-abortion bills are alive in Springfield, numerous lawsuits are pending against HB 40 & the RHA, and those seeking abortion care are threatened by predatory "Crisis Pregnancy Centers" and at medical facilities. Illinois is NOT CA, NY, OR, WA, or CT with solid pro-choice majorities and proactive protections. Our marginal razor thin support for reproductive rights is at risk of evaporating on November 3rd.
